Mentoring & Coaching

Primary and Secondary

Very informative, I
feel more confident now”

Course Delivery via
Microsoft Teams

This practical course will help you to further develop your skills of mentoring trainees and coaching other colleagues.

Day 1 of the Mentoring and Coaching course serves as a briefing for Primary and Secondary mentors, covering the essentials of supporting a trainee on placement and acts as an introduction to the monitoring and paperwork used for Bishop Grosseteste University (BGU) trainees. We would therefore, encourage as many colleagues as possible to attend this first meeting.

Day 2 is designed to support Primary and Secondary mentors continuing professional development.

This course is free within the partnership. We are also able to make a payment of £100 per attendee to schools for attendance at Day 1 and Day 2 sessions.
